

PEB90S

- High power miniature electric sounder, very high sound output
- Loose wire connection terminals
- Attachment by flanged holes 3mm Ø on the side
- Constant tone

TECHNICAL SPECIFICATIONS	
Frequency, approx:	3kHz
Current Consumption:	40mA
Current Supply (40mA)	6...10V
S.P.L. (30cm Spacing)	90dB
Temperature Range:	0...+40
